

WEBINAR

THE CAREGIVER'S GUIDE TO HEARING HEALTH

September 23, 2 p.m. AST

Zoom

Register: Info@CaregiversNS.org

About the webinar

This session is designed to help caregivers better understand hearing loss and its impact on everyday life.

We'll cover:

- Hearing aid care
- Troubleshooting
- Communication strategies that reduce frustration
- The link between hearing health and healthy aging, cognitive function

Speaker: Adele Mansour

Adele Mansour is a registered audiologist and owner of Bedford HearCANADA.

She believes that hearing is an important part of healthy aging and that taking care of your hearing can help you maintain meaningful relationships, independence, and an active lifestyle.
