### **Aberdeen Palliative Care Society**

<http://www.aberdeenpcs.com/>

The Aberdeen Palliative Care Society enables compassionate care of those living with life-threatening illness for which no cure is available. It assists individuals being cared for in their homes, supplying essential equipment and supporting the delivery of care that emphasizes quality of life and offers relief from the isolation associated with living with a life-threatening illness.

### **Colchester East Hants Hospice Society**

<https://cehhospice.org/>

Colchester East Hants Hospice Society provides care and support to families as they face serious illness, death and grief. Hospice volunteers and professionals work closely with the Palliative Care team under a philosophy of care that values quality of life until death and in putting the patient at the centre and in control of his or her own life and care.

### **Cape Breton Hospice Society**

<https://hospicecapebreton.org/>

For more than 30 years, the Hospice Palliative Care Society of Cape Breton County has been a vital community healthcare partner in Cape Breton. Through the generosity of our donors and in partnership with the Palliative Care Service team, we support and promote compassionate care for individuals and their loved ones who are living with a life-threatening illness.

### **Cumberland County Hospice Palliative Care Society**

The CCHPCS is a volunteer organization that enjoys a strong and respected reputation, as well as support from its 600 members and the residents of the County. Over the years, our volunteers have been there when families needed them the most – to provide compassionate care while meeting end-of-life needs.

### **Hospice Halifax**

<https://hospicehalifax.ca/>

Hospice Halifax is a compassionate and supportive community of staff members, volunteers, and donors dedicated to making dying and living as comfortable and as meaningful as possible at the end of life.

**Valley Hospice**

<http://www.valleyhospice.ca/>

In 2000, The Valley Hospice Foundation incorporated as a registered charity in response to a community need to offer dying Valley residents - who for any reason are unable to die at home - and their loved ones a welcoming, quiet and comfortable alternative to hospital-based palliative care. The Foundation is a volunteer-lead organization.
